

A reflection from the Pastor

"O woman, great is your faith," Jesus in today's gospel. The initial reaction of Jesus to the woman was to get away, she kept bothering and she was not of the right house to be healed. Could this be a response of our Lord? We know it was. Jesus in his own wisdom used this as a chance to not only see her faith, but make sure she believed in Him and not in just the work he could do for her. There are countless times, when the world expects our God to work the 'miracle', but the world does not keep the faith - rather they put their hope only in the results and themselves and not in God. There can even be a tendency among others to 'put in' their time and money just to get back a good tax return or to be seen working. Unfortunately, the Lord knows the heart. He challenges each of us to go deeper in our trust and relationship with
