pro-life thought

Human cloning – for any purpose – is an enormously troubling development in biotechnology. It is unethical in itself and dangerous as a precedent. ... It is also a giant step toward a society in which life is created for convenience, human beings are grown for spare body parts, and children are engineered to fit eugenic specification. We cannot allow human life to be devalued in this way.

United States' Statement on Cloning to the United Nations, February 2002

catholic daughters

There will be no Catholic Daughters meetings for the months of June or July. Meetings will resume in August.

summer 2005 notes...

To contact Fr. Matthew you may either leave a message on the rectory machine or go to the parish website, www.saintpatrickschurch.net, and click on the "contact us" link near the bottom of the home page. Local contacts concerning parish needs are Ismael Perez, Jeanne Lange, and Deacon Soto. If you have something that needs to be put in the bulletin, you may contact any of them and they will direct it to the proper person. Those assigned Liturgical tasks—lectors, commentators, ushers, servers—please make sure and fulfill your duty. If you will be unable to be present for an assignment, please make sure and secure a replacement. Ushers in particular are asked to be responsible for going through the Church after the Mass and getting the pews/books in order as well as checking the restroom and disposing of any trash. If you see something of concern on the parish property, do not hesitate to call on one of the contacts listed above.
