it's good to be home again!!!

I am quite happy to be home again after ending this fourth year of summer studies. I have now completed the coursework, and must work on my licentiate thesis during the coming months so as to have it finished when I return next summer. As for next summer, it will only be three to four weeks at most, which culminates in the oral comprehensive examination. I am most grateful to the many parish family members who stepped in and assisted with the administration and maintenance of the parish. Please be assured of my personal gratitude and appreciation for the sacrifices you made this summer above and beyond the call of duty.

ccd registration and information

CCD registration will be held on the last two Wednesday evenings of August (August 24th and 31st) from 6:30 P.M. until 8 P.M. This will be the only time registration will be held. We are hoping to have CCD classes for grades 1-12. If however we are short of teachers, some classes will be cut. If it does come to that situation, we will provide the books for home schooling. Registration fee is again \$15 per child payable at registration (no checks please). As has been the case in recent years, no child will be turned away for the inability to meet the registration fee. Those parents who find themselves in this situation should mention this privately to Father when registering. The first day of CCD is Wednesday, September 14. If you would like to make registration go very quickly, simply go to the parish website www.saintpatrickschurch.net and download the form for CCD Registration and the calendar for the new CCD year. If you are not a parishioner and need to register, the census form is also available there.

raffle prize donations needed: next weekend!

Next weekend we will have our signup sheet for raffle prize donations in the church entrance. The prizes do not need to be brought in until the Monday before the festival (Sept. 19).
