Knights of Columbus honor the "choice of life"

The Knights of Columbus are honoring mothers this Mother's Day weekend with the traditional flower of the day: the pink carnation. This is part of their commitment to show appreciation for the gift of life nurtured by these mothers.

Mass for local graduates

We will honor local graduates at our 10 A.M. Mass next Sunday, May 21. All graduates are invited to process in their regalia and receive a special blessing at the end of Mass. There will be reserved seating in the front of the Church. Get the word out, as all are welcome!

KC Meeting

St. Patrick's Council 10751 of the Knights of Columbus will hold their monthly meeting this Thursday at 7 :30 P.M. in the Heritage Room. For those who can attend a little earlier, the Knights begin at 7 P.M. with the recitation of the rosary.

Looking ahead: summer schedule

The time is drawing near for my trip to Washington, D.C. to conclude my studies. This will be the fifth (and hopefully) the last year. The parish will revert to the summer schedule as it has the past four years. I will be leaving during the week of May 22nd. If there is anything that someone needs to discuss with me about/or for the summer period, please try to call this week.

gratitude

Now that we have concluded the school year of religious education, we must express our gratitude to all of the volunteers that staff our CCD program. Their generosity of time and talent assist the entire parish in teaching the faith and passing it on to our youth.

Thanks to the many Knights (and their friends and family members) who came forward and assisted with the tile project for the front of the the Church, who pitched in with the washing of the mildew on the bell tower, the removal of the last hurricane damaged tree, and the pruning of the palm trees.

We also owe a debt of sincere appreciation to PeeWee and Frances Robles of our parish family. Through their generosity-and PeeWee's artistic talent-the new railings were fabricated, painted and installed on the front of the Church.

And continued thanks to all those who volunteer through liturgical assistance, music, church cleaning, organization support and yard maintenance. St. Patrick's is truly blessed!!!
