

A reflection from the Pastor

As the days of our Lenten journey become fewer, and a little more challenging, we must stay focused on the joy which we will experience at Easter. Through our acts of self-denial, new attitudes, prayer, almsgiving, and fasting, we begin to experience the joy that will burst forth, as did Christ from the tomb that first Easter morning. Remember, the days of Lent aren't just meant as a time to get through and then return to old habits, they are the pattern for our daily living so that we can be purified for eternal life. Let us pray this week for the strength to persevere and for the grace to accept our daily crosses.

The St. Patrick's Day celebration was an enjoyable evening. Following Mass, those in attendance shared in the delicious pot luck dishes and desserts. Door prizes were given and each child received a goody bag filled with candy. St. Patrick, *pray for us.*

May you and your families have a blessed Lent. +
