Pro-life Corner

Abortion is a lose, lose situation. The baby loses
its life through a violent death. The mother loses,
knowing for the rest of her life that she killed her
child. A prospective adopting couple loses by not
fulfilling their dream of raising a child in a loving
way. Adoption is an option in which no one loses.

Saint of the Week

St. Pius X, pope- Born near Venice in 1835,
Giuseppe Sarto became successively priest,
bishop of Mantua, Patriarch of Venice, and in
1903, Pope. Humble and strong, he carried
these increasingly heavy responsibilities with
simplicity, piety and balance. He authorized
First Holy Communion at the age of reason
and strongly defended the Church against
Modernism. Pius X died as World War 1
started, in 1914, and was canonized a saint in
1954.
