Pro-Life Corner:

February 27- The blessing of one prayer affects an entire community, so also the evil of one sin affects an entire community. When a city, state, or country promotes abortion, they bring a judgment onto themselves. Abortion and euthanasia is bringing the worst judgment on America in our history.

Saints of the Week

February 21
St. Peter Damian,
bishop and doctor

Born at Ravenna (Italy) in 1007, Peter Damian was a professor who became a Benedictine monk. By his austere life and writings he fought against the feudal corruption which characterized his century. In calamitous times he helped the Roman Popes by his efforts on behalf of reform. Named a bishop and cardinal, he died in 1072.

February 23
St. Polycarp,
Bishop and martyr

Today's saint is important for the meaning of tradition in the Church. Polycarp, Bishop of Smyrna in Asia Minor, knew and was taught by the Apostle John. Polycarp was directly linked to the Apostle, and indirectly to Jesus. In a similar chain of tradition we all go back to Christ. Polycarp, age 86, courageously met death by burning in the amphitheatre, before all the townspeople (c. 155 A.D.)
