**St. Francis De Sales
Bishop and Doctor**

"A son of France, Francis lived in the difficult decades from (1566-1622) following the Protestant Reformation. He was bishop in Calvinistic Geneva. Francis, the ideal Bishop, related well to Protestants and Catholics, gave much spiritual guidance on the "devout life" to the laity of his day, insisted on self-discipline, prayer and kindness. He remains a most helpful spiritual guide.

January 25
**Feast of Conversion of
St. Paul, apostle**

The conversion of Saul, persecutor of the Church, was of pivotal importance for the world-wide development of Christianity. Today we commemorate that significant event on the road to Damascus.

January 26
**STS. Timothy and Titus,
bishops**

On this day following the Feast of Paul's Conversion we honor his two close collaborators. Timothy, Paul's inseparable companion, became bishop of Ephesus. Two letters of Timothy are in the New Testament. Titus, an organizer for Paul and bishop of Crete, also received a Pastoral Letter that is in the canon of the Bible.

Pro-Life Corner:

January 23- How can we honestly plead ignorance, when abortion has been the law of the land for 38 years? How can we plead ignorance when we are living in the age of information? Certainly if we were not aware of the gravity of abortion, we should know where to find the information, then pray and act upon it.
