**Mongrovejo,**  
**bishop**

Today's saint was a heroic, hard-working bishop who did much to organize the Church in Latin America. Born in Spain in 1538, he was named Archbishop of Lima in 1581. There were then enormous problems in the Latin American Missions: religious, social, political problems. He began a systematic visitation of his huge diocese, to correct abuses and to build up the faith. He used to say: "Jesus Christ did not say "I am the custom," but "I am the Truth." He died on a visitation in 1606 and was canonized a saint in 1726.

#### **Pro-Life Corner:**

**March 27- There are positively no exceptions that justify abortion. Abortion always ends the life of a human person; there is no truthful way to justify this homicidal act. While there may be tragic circumstances that lead to the conception, this does not change the genetic makeup or value of that individual person in the womb. Every child has a God given right to life.**

***If today you hear his voice, harden not your hearts.***
