**November 22<sup>nd</sup>,  
St. Cecilia,  
Virgin and Martyr**

Devotion to St. Cecilia (to whom a basilica in Rome was built in the 5<sup>th</sup> Century) grew because of a dramatic and popular narrative of her tortures and death. There seems to be some foundation for the narrative, though the details cannot be shown as factual. The story says that “Cecilia sang in her heart while the musical instruments sounded for her wedding.” Because of this Cecilia is Patroness of Music.

**November 17<sup>th</sup>,  
St. Clement I,  
Pope and Martyr**

After the obscure pontificates of Linus and Cletus, Clement was the first noted successor of Peter as Bishop of Rome. St. Irenaeus states that Clement knew the Apostles and was strongly influenced by them. Clement wrote a Scripturally based letter to the Corinthians (dates around 95), encouraging them to unity, charity and holiness. He is believed to have suffered martyrdom around 100. The ancient, lovely basilica of St. Clement in Rome is probably built on the site of Clement’s home.

### *Pro-Life Corner:*

*November 27- Medical research has shown that when an 8 week old human baby is pricked in the palm of his hand by a needle, he opens his mouth and pulls his hand away. There is also an increase in heart rate as a result. This shows that an 8 week old baby in utero can feel pain. Why do we allow this barbaric torture of human life by abortion?*

*The Lord is my shepherd;  
there is nothing I shall  
want.*
