“And With Your Spirit”

*Now is the time to seize the opportunity given to us for all Catholics in the United States to **deepen, nurture, and celebrate our faith** through the renewal of our worship and the celebration of the Sacred Liturgy. (USCCB 2011)*

**November 10th,
St. Leo the Great,
Pope and Doctor**

Elected Pope in 440 and deceased in 461, Leo I shepherded the Church in most difficult times. He had to fight barbarians from without and heretics from within. Leo had to confront and turn back Attila the Hun (452), witness helplessly the sack of Rome by the Vandals (455), and at all times care for the souls and bodies of his people. Fittingly he has been called Pope Leo the Great.

**November 11th,
St. Martin of Tours,
Bishop**

Today's saint has become a legend. A Hungarian raised in Italy, an unwilling soldier converted to Christ, Martin gave away his cloak and became a monk in Gaul. Later he founded the first monastery in the West. In 372 this rugged, unprepossessing person became bishop of Tours. His great work was to convert the pagan countryside. Then only the cities held Christians. He organized a mission approach, founded more monasteries, in a sense made France Catholic. Martin died in 397.

Pro-Life Corner:

November 13- Under the law, if you are an accessory to a crime, you are guilty of the crime. If you vote for politicians who advocate, promote and prolong abortion, you are an accessory to the decriminalized murder of millions of innocent babies. It is no longer just a hired and heartless abortionist who kills, but our hands too. If we vote for pro-abortion candidates, the blood of innocent lives is on our hands, as well.

My soul is thirsting for you, O Lord my God.
