April 11<sup>th</sup> ,  
St. Stanislaus,  
Bishop and Martyr

Born in Poland around 1030, Stanislaus studied in Belgium and in 1072 was popular choice as Bishop of Cracow. A good shepherd, he dedicated himself totally to the religious education of the people and formation of the clergy. A serious difficulty with the King developed when Boleslaw invaded Russia. The Bishop excommunicated the King. In retaliation, the King in 1079 had the bishop assassinated.

April 13<sup>th</sup>,  
St. Martin I,  
Pope and Martyr

Born in Italy and later a priest of Rome, in 649 Martin was elected Pope. His pontificate was tragic. He called a council to condemn a heresy. The Emperor in Constantinople reacted savagely. Constans II accused the Pope of political plotting, and had him arrested and brought to Constantinople. The Pope was publicly humiliated and exiled to the Crimea. There, after great sufferings, the last of the martyr Popes died at Sebastopol on this date in 656.

*Lord, send out your spirit  
and renew the face of the  
earth.*

#### **Pro-Life Corner:**

*April 15 - Abortion is the number one cause of death in America. Over 3500 surgical abortions and, because of abortifacients, over 36,000 chemical abortions occur every day. Sadly, you read that right. Combined, that figure is almost 40,000 dead babies every day of the year! Abortion is killing the future of our nation.*
