St. Bernard (1090-1153) dominated the century in which he lived. At age 22 he joined the Cistercian monks. Shortly after made Abbot of Clairvaux, Bernard by words and actions encouraged his monks to outstanding virtue. He influenced Popes and kings, traveled to bring peace and unity, preached the Second Crusade. He wrote much and wrote movingly concerning the Lord Jesus, spirituality, the Scriptures and the Blessed Mother. Bernard died on this date in 1153.

August 24th,
St. Bartholomew,
Apostle

One of the twelve foundation stones of the Church, this Apostle was born at Cana in Galilee. He was brought to Jesus by Philip. Tradition holds that after the Ascension he preached the Gospel in India and there met martyrdom. Because of differing lists of the Twelve Bartholomew is usually identified with the Nathanael described in the Fourth Gospel.

Pro-Life Corner:

August 26 - Lenin once said, "The US will rot from within, so there is no need to destroy it from without." Since 1973, the US has aborted (killed) over 54,000,000 babies by surgical abortion. We are, indeed, rotting from within when we continue to allow this holocaust of our future generations.
