May 14<sup>th</sup>,  
St. Matthias,  
Apostle

Concerning St. Matthias we know only that, during the time between the Ascension and Pentecost, he was elected as an Apostle. Matthias replaced Judas in the Apostolic College. The feast of Matthias is appropriately celebrated now, towards the end of Easter time. Matthias reminds us of the meaning and continuation of apostolic status in the church.

May 18<sup>th</sup>,  
St. John I,  
Pope and Martyr

The interesting and tragic story of this Pope unfolded in the 6<sup>th</sup> Century. In Italy an Arian King, Theodoric, acted so that the Pope journeyed to Constantinople. There in 526 Constantinople happily received the Pope of Rome. John returned, was imprisoned by the heretical king at Ravenna, and was starved to death.

*God mounts his throne to  
shouts of joy: a blare of  
trumpets for the Lord.*

### **Pro-Life Corner:**

*May 13- Have you ever heard of a murderer who was executed, whose limbs were torn off while still alive? Of course not! This is barbaric! A decent society would never permit this. But this is done in an abortion! No mercy is shown the pre-born; in fact, abortion is the cruelest and most barbaric attack against humanity and it is committed over 3,500 times a day across this nation.*
