Happy Mother's Day

*There is no love, like a mother's love,
no stronger bond on earth...
like the precious bond that comes from God,
to a mother, when she gives birth.
A mother's love is forever strong,
never changing for all time...
and when her children need her most,
a mother's love will shine.
God bless these special mothers,
God bless them every one...
for all the tears and heartache,
and for the special work they've done.
When her days on earth are over,
a mother's love lives on...
through many generations,
with God's blessings on each one.
Be thankful for our mothers,
for they love with a higher love...
from the power God has given,
and the strength from up above.*

May 14th,
St. Matthias,
Apostle

Concerning St. Matthias, we know only that, during the time between the Ascension and Pentecost, he was elected as an Apostle. Matthias replaced Judas in the Apostolic College. The feast of Matthias is appropriately celebrated now, towards the end of Easter time. Matthias reminds us of the meaning and continuation of apostolic status in the church.

May 15th,
St. Isidore,

The United States, with its rural traditions and farm life, today honors St. Isidore the Farmer. Born at Madrid in Spain, Isidore (1070-1130) spent his life as a farm worker. His wife Maria was also a saint. Isidore became a legend because of his devotion and miraculous events. Canonized in 1622, Isidore the Farmer is the patron of the National Catholic Rural Life Conference.
