### Pro-Life Corner:

*April 20<sup>th</sup> - How bizarre that a government  
that protects many forms of animal life and  
some plant life with both fines and/or  
imprisonment, would turn its back on the  
most innocent and defenseless of humans, the  
baby in the womb, and actually fund their  
death through tax dollar supported Planned  
Parenthood.*

*Father, into your hands I  
commend my spirit.*
