#### Happy Mother's Day

*There is no love, like a mother's love,  
no stronger bond on earth...  
like the precious bond that comes from God,  
to a mother, when she gives birth.  
A mother's love is forever strong, never changing  
for all time...*

*and when her children need her most,  
a mother's love will shine.  
God bless these special mothers,  
God bless them every one...  
for all the tears and heartache,  
and for the special work they've done.  
When her days on earth are over,  
a mother's love lives on...  
through many generations,  
with God's blessings on each one.  
Be thankful for our mothers,  
for they love with a higher love...  
from the power God has given,  
and the strength from up above.*

May 14<sup>th</sup>,  
St. Matthias,  
Apostle

Concerning St. Matthias we  
know on that, during the time between the  
Ascension and Pentecost, he was elected as an  
Apostle. Matthias replaced Judas in the Apostolic  
College. The feast of Matthias is appropriately  
celebrated now, towards the end of Easter time.  
Matthias reminds us of the meaning and  
continuation of apostolic status in the Church.

### Pro-Life Corner:

May 18 – *“I swore never to be silent whenever  
and wherever human beings endure suffering and  
humiliation. We must always take sides.  
Neutrality helps the oppressor, never the victim.  
Silence encourages the tormentor, never the  
tormented.” Elie Wiesel. This certainly applies to  
abortion; the only voice the preborn have is our  
own.*

*Lord, let your mercy be on us,  
as we place our trust in you.*
