## Catechism of the Catholic Church

### The Transmission of Divine Revelation In Brief:

99. Thanks to its supernatural sense of faith, the People of God as a whole never ceases to welcome, to penetrate more deeply, and to live more fully from the gift of divine revelation.

100. The task of interpreting the Word of God authentically has been entrusted solely to the Magisterium of the Church, that is, to the Pope and to the bishops in communion with him.
