Pro-Life Corner:

Jan 25- Just because something happens to be legal does not make it moral, ethical or right. Abortion is perhaps one of the most dramatic examples of a situation where something is legal (decriminalized) but is very much a sin against God and against humanity.

Saints of the Week

January 28th,
St. Thomas Aquinas,
Priest & Doctor

This great Dominican teacher lived only 49 years (1225-1274). But he traveled much: from his birthplace at Aquino in central Italy to Cologne, to Paris, to Rome and to the monastery near Naples where he died. He wrote much. His two Summas should not obscure his other biblical, theological and philosophical writings. Thomas prayed much-and dedicated his brilliant talents to investigating the sublime truth of God in the light of faith and the human intellect. On this date his body was transferred to the Dominican Monastery at Toulouse. Canonized in 123, he is Patron of all Catholic Schools and is titled the “Angelic Doctor.”
