Happy Mother's Day

*There is no love, like a mother's love,
no stronger bond on earth...
like the precious bond that comes from God,
to a mother, when she gives birth.
A mother's love is forever strong,
never changing for all time...
and when her children need her most,
a mother's love will shine.
God bless these special mothers,
God bless them every one...
for all the tears and heartache,
and for the special work they've done.
When her days on earth are over,
a mother's love lives on...
through many generations,
with God's blessings on each one.
Be thankful for our mothers,
for they love with a higher love...
from the power God has given,
and the strength from up above.*

May 13th,
Our Lady of Fatima

The Blessed Virgin Mary, the Mother of God, appeared six times to three shepherd children ("[The Three Seers](#)") near the town of Fatima, Portugal between May 13 and October 13, 1917. Appearing to the children, the Blessed Virgin told them that She had been sent by God with a message for every man, woman and child living in our century. Coming at a time when civilization was torn asunder by war and bloody violence, She promised that Heaven would grant peace to all the world if Her requests for prayer, reparation and consecration were heard and obeyed.

Pro-Life Corner:

May 10- How easily we can rationalize something: "If a woman plans to terminate her pregnancy, she commonly refers to the life within her as the 'fetus'. But if she intends to deliver and love and care for the little child, she affectionately calls him 'my baby'." Lord, please bring an end to the culture of death.–Dr. James
