Deacon Fred Soto

Catechism of the Catholic Church  
"The Sacrament of Matrimony"

## In Brief:

1661. The sacrament of Matrimony signifies the union of Christ and the Church. It gives spouses the grace to love each other with love with which Christ has loved his Church; the grace of the sacrament thus perfects the human love of the spouses; strengthens their indissoluble unity, and sanctifies them on the way to eternal life (cf. Council of Trent: DS 1799).

1662. Marriage is based on the consent of the contracting parties, that is, on their will to give themselves, each to the other, mutually and definitively, in order to live a covenant of faithful and fruitful love.
