# St. Patrick's Catholic Church

Father Samuel Appiasi  
Deacon Fred Soto

Catechism of the Catholic Church  
"Sin"

### In Brief:

1874. To choose deliberately – that is, both knowing it and willing it – something gravely contrary to the divine law and to the ultimate end of man is to commit a mortal sin. This destroys in us the charity without which eternal beatitude is impossible. Unrepented, it brings eternal death.

1875. Venial sin constitutes a moral disorder that is reparable by charity, which it allows to subsist in us.

1876. The repetition of sins – even venial ones – engenders vices, among which are the capital sins.

February 4- Abortion is an atrocity. Those who support or endorse it are either useful fools or treacherous devils. Satan is pleased with abortion and euthanasia.
