Catechism of the Catholic Church
"The Church, Mother and Teacher"

In Brief:

2050. The Roman Pontiff and the bishops, as authentic teachers, preach to the People of God the faith which is to be believed and applied in moral life. It is also incumbent on them to pronounce on moral questions that fall within the natural law and reason.

2051. The infallibility of the Magisterium of the Pastors extends to all the elements of doctrine, including moral doctrine, without which the saving truths of the faith cannot be preserved, expounded, or observed.

chosen to be his own, to be his
own.*
