"The Ten Commandments"  
The 8<sup>th</sup> Commandment  
In Brief:

2512. Society has a right to information based on truth, freedom, and justice. One should practice moderation and discipline in the use of the social communications media.

2513. The fine arts, but above all sacred art, "of their nature are directed toward expressing in some way the infinite beauty of God in works made by human hands. Their dedication to the increase of God's praise and of his glory is more complete, the more exclusively they are devoted to turning men's minds devoutly toward God" (SC 122).
