# St. Patrick's Catholic Church

Father Samuel Appiasi  
Deacon Fred Soto

Catechism of the Catholic Church  
"The Ten Commandments"  
In Brief:

2396. Among the sins gravely contrary to chastity are masturbation, fornication, pornography, and homosexual practices.

2397. The covenant which spouses have freely entered into entails faithful love. It imposes on them the obligation to keep their marriage indissoluble.

2398. Fecundity is a good, a gift and an end of marriage. By giving life, spouses participate in God's fatherhood.

2399. The regulation of births represents one of the aspects of responsible fatherhood and motherhood. Legitimate intentions on the part of the spouses do not justify recourse to morally unacceptable means (for example, direct sterilization or contraception).

2400. Adultery, divorce, polygamy, and free union are grave offenses against the dignity of marriage.
