Catechism of the Catholic Church

"The Ten Commandments"

In Brief:

2325. Suicide is seriously contrary to justice, hope, and charity. It is forbidden by the fifth commandment.

2326. Scandal is a grave offense when by deed or omission it deliberately leads others to sin.

2327. Because of the evils and injustices that all war brings with it, we must do everything reasonably possible to avoid it. The Church prays: "From famine, pestilence and war, O Lord, deliver us."

2328. The Church and human reason assert the permanent validity of the moral law during armed conflicts. Practices deliberately contrary to the law of nations and to its universal principles are crimes.

2329. "The arms race is one of the greatest curses on the human race and the harm it inflicts on the poor is more than can be endured" (GS 81 3).

2330. "Blessed are the peacemakers, for they shall be called sons of God" (Mt 5:9)
