Happy Solemnity of Jesus Christ, King of the Universe!

The Solemnity of Our Lord Jesus Christ, King of the Universe, formerly referred to as "Christ the King," was established by Pope Pius XI in 1925 as an antidote to secularism, a way of life which leaves God out of man's thinking and living and organizes his life as if God did not exist. The feast is intended to proclaim in a striking and effective manner Christ's royalty over individuals, families, society, governments, and nations.

This is the last Sunday of the Church year which means we focus on the final and glorious things to come! It also means that next Sunday is already the First Sunday of Advent.

When we say Jesus is a king, we mean a few things. First, He is our Shepherd. As our Shepherd He desires to lead us personally as a loving father would. He wants to enter our lives personally, intimately and carefully, never imposing Himself but always offering Himself as our guide. The difficulty with this is that it's very easy for us to reject this kind of kingship. As King, Jesus desires to lead every aspect of our lives and lead us in all things. He desires to become the absolute ruler and monarch of our souls. He wants us to come to Him for everything and to become dependent upon Him always. But He will not impose this sort of kingship upon us. We must accept it freely and without reservation. Jesus will only govern our lives if we freely surrender ourselves over. When that happens, though, His Kingdom begins to become established within us! And through us in the world.

Lord, You are the sovereign King of the Universe. You are Lord of all. Come reign in my life and make my soul Your holy dwelling place. Lord, come transform our world and make it a place of true peace and justice. May Your Kingdom come! Jesus, I trust in You.
