Abortion and euthanasia is a cancer killing America. Many nations do not die from invasion; they die from internal rotteness. You must remember that some things legally right are not morally right. Abortion on demand is killing America.

Our Lady of Mount Carmel

The feast of the Scapular; tradition says that Our Lady gave it, herself, about the year 1251, to the blessed Simon Stock, an Englishman; this devotion has since spread all over the world. The popes John XXII, Gregory XIII, Sixtus V, Gregory XIV, and Clement VIII, have granted indulgences to those who are of this confraternity.

At the time of the Crusades there were hermits living on Mt. Carmel in imitation of Elias. In their midst was a chapel dedicated to Our Lady. To the medieval members of the Order, Mary was the Gracious Lady who protected them from danger, who won for them the favor of Christ, her Son.

The one gift that unites all Catholics to Our Blessed Lady of Mount Carmel is her scapular. The scapular was given to Saint Simon Stock, prior general of the Camelite Order, on July 16, 1251. Our Lady appeared to the Saint when there was great danger that her order would perish. The works of Saint Simon was the prayer, Flower of Carmel, still said daily by Carmelites:

“Flower of Carmel, Vine, Blossom-laden,
Splendor of Heaven, Childbearing maiden,
None equals thee.
O Mother benign who no man didst know,
On all Carmel’s children Thy favors bestow,
Star of the Sea.”

The Blessed Mother answered Simon’s prayers by giving him the scapular, telling him: “Receive this habit, this shall be a sign of salvation. Whosoever dies clothed in this shall not suffer eternal fire.”
