HAPPY Independence Day
4TH OF JULY

Saint Maria Goretti
July 6th
*Patron of youth, young women,
purity, and victims of rape*

Born on October 16 1890 in Corinaldo, in the Ancona Province in Italy.

At twelve Maria was already a beautiful young woman. Alessandro, then nineteen, twice made advances toward her. She rebuffed him and kept his propositions secret because he had threatened to kill her. On July 5, 1902, Maria sat atop the hovel's stairs, mending Alessandro's shirt. He stormed past her, ordered her into a bedroom, grabbed her, and attempted to rape her. "No! No! No!" Maria cried. "Don't touch me, Alessandro! It's a sin!" She resisted him with all her strength. Angered beyond control, he stabbed her fourteen times. Maria survived a pain-filled twenty-four hours in the hospital.

She showed more concern for where her mother would sleep in the hospital than for herself. Before she died she forgave Alessandro and prayed for God to have mercy on him.

Saint Maria is called a martyr because she fought against Alessandro's attempts at sexual sin; however, the most important aspects of her story are how she forgave her attacker - her concern for her enemy extending even beyond death - and the miracle her forgiveness produced in his life.

Fr. Oscar is here at the parish, but because he was in contact with someone who had the Covid-19 father will be in quarantine for 2 weeks. In case of emergency call Mr. Perez at (361) 827-3038.
