Financial Audit

The Diocese of Victoria has requested that all the churches in the diocese have a financial audit to verify that we are following the agreed upon practices as established by the diocese. Our audit was conducted on June 13th. We are in compliance and have been given some advice on how to improve our methods. The audit was conducted by Roloff Hnatek Co., LLP. The church is responsible for the payment of services which will be approximately \$4000.

Insurance Onsite Inspection

In May, our insurance carrier, Catholic Mutual, did an onsite inspection. For the most part, we are in good standing however we did have 6 items of concern including electrical panels, fire extinguishers, some maintenance, and tree trimming that needs to be done. We had 30 days to make the corrections or put a plan in place to get it done. The smaller items have been addressed and the larger ones have a plan in place after a discussion at the Parish Council meeting. The company also requests online video training for certain individuals and I will contact those people by September. If you have questions, call the office. Jeanne

Happy 4th of July!
